Description

Theatre Royal Bath is thrilled to have launched an exciting new group, Creative Arts, for young people with additional needs living in BaNES who are interested in the creative arts.

Our sessions will be fun, practical and led by experienced Physical Theatre and movement practitioner Bryn Thomas, and supported by two Theatre Royal Bath assistants. From day one, you'll be making, discussing and creating – all you need to bring is your imagination!

The sessions are designed to be a playful exploration of creative arts and theatre-making for children and young adults who have a particular need affecting their day-to-day life.

Space For Me is a partnership of five organisations in BaNES offering a menu of term-time sports and leisure activities including our two-hour sessions inspired by theatre and performing, taking place every Sunday during term time.

Cost: £5 per session (payable on the day in cash or in advance by card).

Notes: There is on-street parking although it is perhaps easier to park at the nearby Prior Park Garden Centre and walk the 3 minutes from there.

Simply go to the link below and follow the directions to book, or call the egg Reception on 01225 823409 and we will be happy to tell you more about the group and book you on.
