### About the Service

#### About the Organisation

Bath Rugby Foundation is the charitable arm of Bath Rugby Club set up to empower all young people in Bath and surrounding areas to succeed.

We use the values of rugby to inspire young people to create a better future for themselves. We focus on key areas of need in our community, specifically, improving Health, Education, Employability and Inclusion in the South West. We target young people in their every day environments - whether that's in the park, at school or in the street. All of our projects pair classroom based learning with getting active on the pitch. Our participants leave with raised confidence, and new life skills, part of the Bath Rugby family.

See our website for all the different opportunities on offer.
